

THE DAILY BULLETIN.

WEDNESDAY EVE., JULY 11, 1888.

ROSSER & MCCARTHY,
Publishers and Proprietors,
To whom Address all Communications.

YESTERDAY, a telegram
Across the wires came humming,
Which told us that the railway cars,
Like Christmas time, are coming.
So let us hold ourselves in check
And bottle up our bile,
For we can count it probable
They'll be here after while.

The street cars are expected to arrive in about ten days.

New wheat commands 90 and 95 cents a bushel in this city.

Local option is to be voted upon at Dover on Monday, August 6th.

THE DAILY BULLETIN has twenty-five regular subscribers at Mayslick.

THERE are two vacant buildings on Second street and both are desirable business locations.

THE hub and spoke factory, formerly Cords' Mill, at Flemingsburg, burned on Tuesday afternoon.

AN effort is being made by some of our leading business men to establish a woolen mill in this city.

WE are informed that Samuel Bulger will be brought to this city next Saturday to be arraigned for trial.

A lot of stone belonging to the city obstructs the upper grade. It should be taken away as soon as possible.

MESSRS. A. FINCH & Co. received, today, a crop of new wheat from Mr. Charles Marshall, of Fleming county.

SOME of the rubbish left after the market house was torn down still obstructs Market street. It should be removed.

MR. S. J. DAUGHERTY is shipping to Mayslick today a large lot of freestone flagging, which he will put down at the residence of Mr. John T. Wilson.

MARSHAL REDMOND, this morning, in arresting for drunkenness a man named Workman, who lives near Tilton, was struck by him on the head with a stone and severely hurt.

THE postoffice at Springdale is now presided over by Mr. George D. Jenkins, one of the cleverest men in the neighborhood. In his honor the name has been changed to Jenkins.

MR. J. G. JAQUITH will exhibit his patent spindle at the Louisville Exposition, and, we are informed, will take with him several workmen from the Maysville Cotton Mills to operate it.

AT the race course this week Mr. George B. Thomas drove his bicycle a mile in four and a half minutes. This is the best time any of the Maysville wheelmen have yet made.

THE Washington Fire Company have concluded not to make any improvements at the Opera House this season, nor will there be any repairs made because none will be needed.

THE ice company in sinking the well at their factory have struck a layer of solid rock, and the progress is necessary slow. They hope to obtain water at the depth of about eighty feet. The well is already a little over forty feet in depth.

THE "Eldorado" is the name of a handsome new omnibus now running between this city and Tollsboro, the property of Mr. S. E. Pollitt. It is made in the latest style and has all modern conveniences, and the patrons of the line will find it very comfortable.

AN application for a continuance in the Cooper murder case was promptly refused by Judge Cole on Tuesday, and his ruling in the matter meets the cordial approval of the public. When criminals understand that punishment is swift and certain there will be less crime.

MR. F. F. SHAW, who has been the secretary of the Ripley Fair Association since its organization, has resigned his position. He has been an indefatigable and zealous worker in the cause, which fact has been handsomely acknowledged by the board of directors in a series of resolutions passed at a recent meeting. His ability, integrity and faithfulness are especially referred to in a complimentary way.

THE handsome solid silverware lately presented to Mr. John E. Blaine, by his associates in the revenue department, may be seen in the show windows of Albert's China Palace. It is certainly very handsome and artistic. The engraving, which has been done with great taste and skill, is the work of a Maysville artist, Mr. John Ballenger. So it will be seen that work of this kind can be done in Maysville as well as elsewhere.

FOR THE BULLETIN.

EVENTIDE THOUGHTS.

The human heart has hidden treasures
In secret kept, in silence sealed;
The thoughts, the hopes, the dreams, the pleasures,
Whose charms were broken if revealed;
And days may pass in dull confusion,
And nights in noisy routs may fly,
While lost in fumes or wealth's illusions,
The memory of the past may die.
But then on hours of lonely musing,
Such as in evening silence come,
When soft as birds their pinions closing,
The heart's best feelings gather home.
Then in our souls there seems to laugh
A tender grief that is not woe,
And thoughts that once wrung groans of anguish
Now cause some gentle tears to flow.
And feelings once as strong as passions
Float softly back—a faded dream,
Our own sharp griefs and wild sensations
The taste of others' suffering seem.
Oh! when the heart is freshly bleeding,
How it longs for that time to be
When through the mists of years receding
Its woes but live in reverie.
And it can dwell on moonlight's glimmers,
On evening shades and loneliness,
And while the sky grows dim and dimmer
Heed no unmeasured woes distress.
Only a deeper impress given,
By lonely hour in darkened room,
To solemn thoughts that soar to heaven,
Seeking a life and world to come.
Aberdeen, Ohio.

Democratic Committee Meeting.

The following official notices explain themselves:
DEMOCRATIC STATE CENTRAL COMMITTEE,
FRANKFORT, KY., July 7, 1888.
Judge Garrett S. Wall, Chairman, John W. Alexander, John Collins, Geo. W. Malt, Joshua H. Watson, W. P. Clark, Thomas Downing, W. C. C. Groves, Jerry H. Mann, John Thompson, Alex. Culbert—Gentlemen: The Democratic State Central Committee has this day appointed you an executive committee for Mason county, vested with all the powers and charged with all the duties pertaining to such committees. Your special attention is called to circular No. 1, issued by this committee May 30, 1888.
H. T. STANTON, Secretary.

ALL members of the executive committee for Mason county, will meet at my office on Monday, July 16, 1888, at 10 a. m. Business of importance will come before the meeting and the members should attend better than they have in the past.
GARRETT S. WALL,
Chairman Dem. Ex. Committee.

A LEXINGTON despatch, dated the 9th inst., says: Samuel Bulger, the negro boy in jail here for committing a rape upon little Hannah Belle McAuliffe, at Maysville, some weeks ago, made an attempt to break jail yesterday afternoon about three o'clock. None of the prisoners were in the inclosed jail yard at the time taking air except Bulger and a white boy, who is confined for carrying a concealed weapon. They took a lot of tubs which were lying in the yard and piled one on the top of the other. Bulger got on the top of the pile, and standing up was then above the stone work of the wall and was accessible to the brick work. He took his pocket knife and began picking out the brick, and would, doubtless, have made a hole in the wall if he had not been discovered by the jailer, who took him down and put him in irons.

To most children the bare suggestion of a dose of castor oil is nauseating. Why not, then, when physic is necessary for the little ones, use Ayer's Cathartic Pills? They combine every essential and valuable principle of a cathartic medicine, and being sugar coated are easily taken.

ALMOST every person has some form of scrofulous poison latent in his veins. When this develops in scrofulous sores, ulcers, or eruptions, or takes the form of rheumatism, or organic diseases, the suffering that ensues is terrible beyond description. Hence the gratitude of those who discover, as thousands yearly do, that Ayer's Sarsaparilla will thoroughly eradicate this evil from the system.

Those who use it will have no other as the difficulties encountered in other wringers are all avoided in this. The price is \$5.50. This firm also has the Champion Iron Wringer, which is an excellent one of the kind and sells for \$4. Call and see these wringers before buying elsewhere. j11dlw
